**Red Highlights:** Changes to be made to DB ontology based on differences with ontology in flat files (for Editorial Office Use Only)

**TS17 genitourinary system (10.5dpc)**

EMAP:25782	mouse	
EMAP:2220		organ system
EMAP:2221		visceral organ
EMAP:2571		genitourinary system (syn: urogenital system)
EMAP:27562		associated mesenchyme
EMAP:2572		gonad (syn: gonad primordium)
EMAP:27565		coelomic epithelium (syn: germinal epithelium)
EMAP:2573		gonadal mesenchyme
EMAP:27567		anterior gonadal mesenchyme (syn: rostral gonadal mesenchyme)
EMAP:27569		central gonadal mesenchyme
EMAP:27571		posterior gonadal mesenchyme (syn: caudal gonadal mesenchyme)
EMAP:2574		primordial germ cells
EMAP:2576		mesonephros
EMAP:2577		mesonephric mesenchyme
EMAP:2579		mesonephric tubule
EMAP:30563		cranial mesonephric tubule
EMAP:30569		mesonephric glomerulus
EMAP:30566		rest of cranial mesonephric tubule
EMAP:30572		caudal mesonephric tubule
EMAP:27592		nephric duct, mesonephric portion
EMAP:27603		nephric duct, pronephric portion
EMAP:27600		nephric duct, metanephric portion (syn: mesonephric duct, metanephric portion)
EMAP:29991		metanephric mesenchyme
EMAP:27574		cloaca
EMAP:27578		cloacal epithelium (syn: distal urethral epithelium)
EMAP:27582		associated mesenchyme
EMAP:27572		urogenital membrane
EMAP:2575		urorectal septum
EMAP:30075		genital swelling
EMAP:31831		developing vasculature of genitourinary system

**TS17 Groups**

'G' : Term is a group.

EMAP:25782	mouse	
EMAP:2220		organ system
EMAP:2221		visceral organ
EMAP:2571		genitourinary system (syn: urogenital system)
EMAP:2581	G	nephric duct group (syn: mesonephric duct, Wolffian duct)
EMAP:27603		nephric duct, pronephric portion
EMAP:27592		nephric duct, mesonephric portion
EMAP:27600		nephric duct, metanephric portion (syn: mesonephric duct, metanephric portion)
